## What is an Essentials Pantry?

An essentials pantry operates in the same way a community food bank does, except they distribute items considered important for healthy living, but not covered by government food share programs.

## How to Shop

When a guest visits one of our pantries, a shopping list is printed specifically tailored for the members of their household.

Each product we distribute has its own lifespan, so it may not be available on every visit. We do, however, allow unlimited visits within a month, in case an essential becomes available within that time.

## About us

Pepartnership, Inc. started in 2006 as a single pantry operating out of a church library. We now have several essentials pantries throughout southern Wisconsin and Illinois.

## Product List

Not all EP's carry the same items, but most will have these available (see our website at [www.essentialspantry.org](http://www.essentialspantry.org) for specific details):

- laundry soap
- baby diapers
- dish soap
- deodorant
- bar soap
- shampoo
- all-purpose cleaner
- toothbrush
- toilet paper
- feminine hygiene products
